

Virtual Memory Pix

Videography Services Cash Prices

Video Shoot (Weddings & Anniversaries)

Weddings and Anniversary Celebrations - set up, shoot and tear down (Travel time may be added for out-of-area shoot)

\$35/hr with 2 hour minimum or straight \$100 for up to 4 hours

Post Shoot Editing and Video Processing

Editing of video segments. Adding titles, DVD splash screen, etc. Adjusting video for best color, reduce wind noise (outside video) Dynamic Video photo wall and ending credits (and other extra features if desired) An approximation of video processing time can be made by allowing one hour processing time for each 10 minutes of desired video in the final movie.

\$10/hr (Dependent on length of video)

Extras for the DVD video include: custom printing of the DVD disks; dynamic photo video wall at the end of the video featuring pictures taken at the event. Plastic case and insert.

These extras make your video into a great gift or keepsake.

A La Carte -- Finished Video DVD

Name, event and date only printed DVD in paper sleeve

\$15/disk first 5 then \$10/each

Custom designed printed DVD in plastic jewel case w/insert

\$20/disk first 5 then \$15/ea
